

Frequently asked questions

Why choose Magnatrack?

MagnaTrack screens are the world's ONLY self-correcting motorized screens. This means you'll eliminate 98% of all costly service calls... and you'll avoid having to replace damaged inferior screens that break easily. Dollar for dollar, MagnaTrack is the highest quality, best long-term investment for your screens needs -- by far.

Is there a warranty included?

Yes! We offer the industry's BEST warranty:

- Limited lifetime on aluminum;
- 15 years on screens;
- 5 years on motors;
- 2 years on remotes;
- 1 year on vinyl.

How much does it cost?

All screens jobs are 100% custom... so there is no one-size-fits-all answer. The best way to know the cost for your project is to request a 100% free quote by clicking the 'Contact dealer' button on this page.

Is installation included?

Yes! Our local dealer network quotes you prices that include materials plus installation. With MagnaTrack you always get full-service treatment.
